

BAM PPP TEAM SEE THE BIG PICTURE!

BACKGROUND

BAM PPP is part of Royal BAM Group, a Netherlands-based €9.5 billion world-wide construction services company, ranked amongst the largest construction companies in Europe. The company has been involved in the public-private partnerships and the Private Finance Initiative (PFI) since its inception and is dedicated to securing and operating PPP/PFI contracts. To achieve this they combine the expertise from a number of existing divisions - design, construction, financial planning and facilities management. The result is a highly motivated team and a track record of successfully completed projects that extends across the health, education, law and order and commercial sectors.

BlueSky Experiences, the award winning team building and event management specialist organised a team building day for BAM PPP last year and the client was so impressed that they wanted to come back and do another event this year. BAM PPP were looking to organise their annual overnight conference and teambuilding event again with BlueSky.

THE TEAM BUILDING EVENT

BlueSky were responsible for the organisation and management of the entire event. They organised for the BAM PPP team to hold a company meeting in the morning at Gleddoch House Hotel, near Greenock. This hotel was recommended by BlueSky due to its close proximity to the client's office as well as being an excellent venue for an event of this style.

It was very important to BAM PPP that the teambuilding activity within this event was creative, collaborative and inclusive, allowing everyone within this team to be fully involved regardless of their age and physical ability.

'The Big Picture' team-working activity was selected to not only provide a collaborative and inclusive event but also to reinforce their business strategy and key messages. 'The Big Picture' is a creative

and interactive activity that teams work through to complete a visual representation of the client's vision or strategy. BlueSky design and develop the image of the 'Big Picture' in close collaboration with the client prior to the event. On this occasion the image included a carbon footprint, a globe and two building projects that BAM PPP had been involved in. This image was fundamental to their key message in creating "Excellence in Sustainable Public Private Partnerships".

The day was rounded off with a gala dinner at Gleddoch House which was organised by BlueSky Experiences.

Morven Wylie from BAM PPP commented: *"We were very pleased with how BlueSky Experiences handled our last event and so decided we would use them again for this year. What really impressed us about BlueSky was their professionalism and speed of response to our initial enquiry; James came out to visit us to discuss the various options available and thereafter offered a one-to-one service."*

Morven added: *"They took care of all the details of managing the event – it made the whole process very simple for us. Their recommended team building activity was great and it really fitted in well with our business. The BlueSky staff did a great job of integrating people and getting them working together, which really made the teambuilding element work. The venue chosen was appropriate and the duration of the event was just right. The BlueSky team was friendly, professional, prompt and a pleasure to deal with. We will definitely be working with them again."*

BlueSky Experiences, the award-winning specialist in team building, team development, corporate entertainment and event management throughout the UK was founded in 2001.

Based near Perth, Scotland the company counts some of the country's leading corporates amongst its clients including Royal Bank of Scotland, HBOS, Shell, BP, Norwich Union, Scottish Power, William Grant and Diageo as well as a number of SME's.

The company prides itself on providing training which is that little bit different and creative whilst

still keeping corporate goals and objectives firmly in sight.

BlueSky Experiences has dedicated high quality venues throughout the UK as well as its own purpose-built team development and conference centre in Perth. The company has made a six-figure investment in the centre which boasts 700 sq metres of team building/conference space. The centre is set in 700-acres of land which provides a mountain bike track, rope climbing and a puzzle zone offering what are believed to be the best team-building facilities anywhere in Scotland.
