

highland games

The ultimate Scottish team event!

OVERVIEW

Scotland's Highland Games are world-famous. We can plan and run your very own Highland Games event, at a location to suit you, and combine it with other superb activities such as falconry, whisky tasting or a traditional Ceilidh to make a memorable day out.

OBJECTIVES

Fun is the order of the day. Our Highland Games events buzz with activity as teams of 'clans' compete in Tossing The Caber, Hurling the Wellies, The Farmer's Dash, Haggis Rolling, Putting the Stane and the Tug o'War. Our kilted instructors are there to encourage and coach.

BENEFITS FOR YOUR TEAM

Perfect for any corporate hospitality or incentive day. Different, high-energy and challenging, but fun. The winning clan will have to score highly in 12 or more different events.

"Everyone had a great time: people didn't want to leave! Fantastic venue, can't praise the staff highly enough: fun, encouraging and professional throughout."
