“THEY’RE OFF!”

Fuelled by the enthusiasm of the crowd, the jockeys will vie for first place in a dash to the finish line.

Place Your Bets - our experienced staff will explain the system of betting and ensure that everyone has the bet they want.

All bets are down. Have you picked the favourite or backed a donkey?

They’re off! Cheer your horse home. Let’s hope you chose well.

Collect your winnings from the tote and speculate to accumulate.

Place your bets wisely to make sure you have a night to remember rather than a Donkey Derby!

This event can be pre or post dinner.
Sessions can be tailored from 45 minutes to 2 hours.
