

scotopoly™

A highly-charged gaming environment!

OVERVIEW

Scotopoly™ is a giant board game in which players working in teams take on the role of property tycoons to develop a rich Scottish property portfolio. The game is fast furious and action packed! The fun activities and challenges incorporate traditional Scottish activities such as haggis hurling and tossing the caber.

OBJECTIVES

Teams think strategically and use their initiative, time management and negotiation skills to capitalise on every opportunity.

BENEFITS FOR YOUR TEAM

A fun, safe environment to build relationships with instant engagement for all regardless of age or experience. Brings hidden strengths and attitude to the surface. Balances personal intuition with teamwork.

“Superb! You really delivered the goods. I have had a constant stream of feedback from the team about how enjoyable, different and motivational the day was.”
