

## Create your vision!

### OVERVIEW

Your team's thought process will be stimulated to see how they fit into the big picture. This tailor-made interactive experience is built wholly with your company's objectives in mind. Teams take part in a number of activities to earn points to buy the equipment required to complete the penultimate challenge. The concluding activity involves teams competing to place their piece of the jigsaw to achieve the common goal. Communication and strategy are key to create the Big Picture!

### OBJECTIVES

This experience unites teams and generates a sense of fun and togetherness. Communication and group working are essential for teams to earn the materials required to complete the Big Picture.

### BENEFITS FOR YOUR TEAM

An experience designed for maximum interaction of your team regardless of age, experience or physical abilities. Your team's communication, group working and project management skills will be tested in a creative and fun environment. Time management, team cohesion and initiative will be essential to your success.

"Given the shortage of notice, what you provided was remarkable and 10/10 Scoring says it all! thanks a million for a brilliant event with no notice at all."

*The Edrington Group*
