

## ultimate apprentice

### Will you be hired or fired?

#### OVERVIEW

Sir Castor Demerara believes that you should never underestimate him because you will be making a fatal error! The challenge can be a fun business or specifically tailored to your company or industry. You have a budget and a challenges to complete, how well you negotiate and avoid penalties will impact your bottom line. The event can be filmed and the final episode can be screened back to the team.

#### OBJECTIVES

Communication, team working, project management are essential to ensure you don't lose Sir Castor's money. Specified objectives must be achieved within the time frame and the rules identified.

#### BENEFITS TO YOUR TEAM

An experience designed for maximum interaction and engagement regardless of age or physical abilities. Your team's group working and project management skills will be tested in a creative and fun environment.

“Without exception  
a fantastic event  
and clearly a great  
success.”
